Meet Our 3Rs

'Reggie Respect', 'Rocky Responsibility' and 'Rosie Relationships' are important 'characters' at our school. It is an expectation that all students will be demonstrating these values at all times. Each class has discussed the 3R's and agreed on what these values should look like in their classroom. At assembly, I shared some proverbs (sayings) that I believe are relevant to each of our school values.

Respect

- Different strokes for different folks (everyone is different)
- Persuasion is better than force (use your words and not force)
- Manners maketh the man (nice people use manners)

Responsibility

- A bad workman blames his tools (own up to your faults)
- It is easy to criticise others work, when you are not working (if you are busy, you won't be worried what about others are doing)
- If at first you don't succeed, try, try again (don't give up)

Relationships

- A problem shared is a problem halved (it is good to work together)
- Give credit where credit is due (compliment others)
- First impressions are the most lasting (people will remember what you first said or did)

These proverbs have been used throughout time and it is interesting that they are still very relevant in an ever changing world! Of course, for these values to be effective they need to be instilled at home and continued throughout life.

Reminder

Contributions and Charges are now overdue and can be paid at the office or online.

Thank You

Miss Briggs has registered our school in the 'March Munch', an event coordinated by Cancer Council WA.

For the next two weeks (**13th – 24th March**) the students will be recording what snack they eat for Crunch and Sip. 'March Munch' has been developed to encourage students to try different vegetables.

So we ask parents to support this initiative by sending different vegetable snacks for their child's afternoon snack over the next two weeks.

Aboriginal Workshops

On the **24th March** two aboriginal ladies from Creative Collaborations will be visiting Cervantes Primary School.

All students will be learning more about Aboriginal culture by participating in two workshops, 'Nyitting Time Stories' and 'Dardy Dot Painting'. This visit has been made possible by the P&C successfully gaining a Shire of Dandaragan Community Grant.

Parents are welcome to join us for the activities between 11:15 – 12:15pm or 1:00 – 2:00pm

Classroom Cash

We have registered for the Classroom Cash competition that will give us several chances to win \$1,000 for the school. We need your help to collect the Classroom Cash coupons that will be found in The Weekend West and The Sunday Times on:

March 18-19
March 25-16
April 1-2

Ask you family, friends, neighbours and strangers to collect the coupon for us!!

Caravan Park Pool

The manager has contacted the school and asked that I remind students that the Caravan Park pool is not a public facility. As a school we would like to be able to use this facility in the future and I ask that all students and their parents respect the management's wishes.

P&C News

Thank you to the parents and community members who supported the cake stall last weekend. A total of \$432 was raised. While this is a smaller amount than past stalls, every dollar helps us support the students and the school. We have already committed to supporting the school with a \$2,000 donation towards ICT resources and the Library.

The new Local Phone Book is in print and will be available around town from next week.

Do you have other ideas of how to improve our school? Please join us at our meeting to be held on **Thursday, 30th March at 3:30pm.**
