	<p>to the busy bee last Sunday. The students have certainly been enthralled with the new resources. Tronox has also agreed to support these efforts with their annual donation going towards nature playground costs.</p> <p>The students have had many opportunities to be involved in various incursions this term- Cycle Safety, Circus workshop, Kallidad band, Science Day and Lego. I hope your children were able to share some of what they learnt or enjoyed about these events.</p> <p>Various Staff have participated in several professional learning opportunities this term in relation to our school plan or their own personal needs:</p> <ul style="list-style-type: none"> <li>• Rhiannon attended a Nature Play PL</li> <li>• Full time teachers attended Visible Learning (the science of how we learn), Moderation PL, and Teacher Professional Standards.</li> <li>• Classroom Staff have had the opportunity to learn about Reading, Visible Learning, Positive Behaviours, Science, iPad Apps.</li> <li>• Principal and admin attended Finance PL</li> </ul> <p>The community ANZAC service has become our responsibility and I hope parents can support our efforts by ensuring their child/ren are at Memorial Park by 6:30am on the day. It falls on the Monday we would normally return to school this year, so we have been busily practicing these last few weeks.</p> <p>Interim Reports were sent out at the beginning of the week. I hope parents found the information useful. It is meant to be a simple overview of the achievements and efforts that your child has demonstrated so far this year. If there were any concerns about your child's standard, teachers would have been in contact earlier in the term and identified the individual planning and strategies that have been put in place.</p> <p>Term 2 will start on Tuesday, 26<sup>th</sup> April. In that first week we already have two activities planned. The Clontarf students will be joining us on the Thursday afternoon and the Historical Society members will be working with each class on Friday. This is a new initiative to celebrate Heritage Week which falls in the holidays.</p>
