Principal Report

P&C Meeting 26/5/2016

We started Term 2 by participating in the community ANZAC service. I was very proud of the students' efforts and very happy to receive many positive reflections on the service and their involvement.

There has been (with still some to come) several opportunities for the students outside of the classroom:

- Author Visit
- Clontarf visitors
- Historical Society members worked with each class
- Constable Care puppet show
- Play
- Camp Quality puppet show
- Winter Carnival (Yr 4-6)
- Science Camp (Yr 4-6)
- Cross Country

NAPLAN week for year 3 and 5 students was uneventful with the students encouraged to have a go and do their best.

The 2015 School Report is available online on the school Website and I have printed off several copies and left them at the front desk for those who are interested.

Student Reports are in the process of being written and will be sent home in the last week of term along with portfolios. For parents of students in the Middle Class, Rhiannon recorded her thoughts and grades before she left so the reports will be a combination of both Rhiannon's and Rochelle's marking.

Cervantes Primary School is only delegated 2 days of School Psychologist service each term. It is vital that we utilise this resource efficiently. Priority is given to students who demonstrate great difficulties in their learning or have higher behaviour needs. I would like to point out that a student can only be referred if the school sees a need and after other programs and strategies have been implemented at a class and school level. If parents are concerned about their child's social and emotional well-being I suggest you see the family doctor and discuss a referral for support through them.

Parenting WA has offered to run courses in Cervantes. I will be placing the information in the next newsletter and I encourage any parents who are interested in participating to return the expression of interest that will be in next week's newsletter.

I will be taking a week of Long Service Leave on the last week of term and Mrs Knowles will be in charge.
